Wisdom 13:1-9 Good News Translation (GNT) The Foolishness of Nature Worship. 13 Anyone who does not know God is simply foolish. Such people look at the good things around them and still fail to see the living God. They have studied the things he made, but they have not recognized the one who made them.<sup>2</sup> Instead, they suppose that the gods who rule the world are fire or wind or storm or the circling stars or rushing water or the heavenly bodies.<sup>3</sup> People were so delighted with the beauty of ...

13.1 Thunderstorms 331 Sea breeze Warm air Cool air Figure 13-2 During the day, cool air over the ocean moves inland and creates a sea breeze. The cool air forces warm air over the land to rise. The rising air cools and sinks, creating a convection cell. These conditions can produce strong updrafts that result in thunderstorms.
