115HP. 115083D. Older engines do have their advantages. Particularly engines made before the invasion of electronics that have started to rob some of the good ol' workability that makes it easy to keep older engines running. They're simple marine engines from a much simpler time. And when you go to work, we make getting your parts simple, because Boats.net has the 1970 Evinrude outboard parts to help you do the job right.
