End of Watch is a 2016 Detective Fiction / horror novel by Stephen King, and is the final book in the trilogy centering around mass murderer Brady Hartsfield and retired detective Bill Hodges. By all accounts, Brady Hartsfield is nonfunctional - while no longer completely comatose, he's barely able to communicate or move.

End of Watch (Literature) - TV Tropes

Really enjoyed the book. Ending was fine, though I expected a Brady lives twist that never came. I was disappointed when Brady killed off his physical body towards the end of the book. It kinda made his "remote access" telekinesis powers seem kinda wonky and made the doctor seem more like a Brady clone.
