Art that seeks to challenge the dominance of men in both art and society, to gain recognition and equality for women artists, and to question assumptions about womanhood. Beginning in the 1960s and 1970s, feminist artists used a variety of mediums—including painting, performance art, and crafts historically considered “women’s work”—to make work aimed at ending sexism and oppression ...

Feminist art | MoMA

Feminist art criticism is a smaller subgroup in the larger realm of feminist theory, because feminist theory seeks to explore the themes of discrimination, sexual objectification, oppression, patriarchy, and stereotyping, feminist art criticism attempts similar exploration. This exploration can be accomplished through a variety of means.
