The site itself is available in English, German, French, Italian, and Portuguese, and the catalog includes books in all languages. There's a heavy bias towards English-language works and translations, but the same is true of all the ebook download sites we've looked at here.

## **Frostborn The Master Thief Frostborn**

In Frostborn #4, our merry band is joined by no less than a halfling master thief. So we now have a dwarf, an orc, a white wizardess, a black sorceress, and a renegade knight and his "squire." The plot, it thickens. The old timey fantasy tropes continue. I'm enjoying the nostalgia.

The Frostborn are a faction of a newly discovered dwarf, the frost dwarves. This mysterious race of dwarves have their home base located at Frosthold in The Storm Peaks, and are led by Yorg Stormheart, King of the Frostborn. Along with welcoming any Alliance within their settlements, they've recently befriended members of the Alliance Vanguard to join and oppose the Lich King.

Body: Scavenging - Scavenging is one of the best Talents in the game for any class, and Frostborn is no different. This Talent restores health and armor for each opponent you exile. These resources only become harder and harder to find as matches go on, so having a way to heal late game can be a game changer.
