General and Systematic Pathology - 5th Edition

i love the clarity of language in this book. to give you a hint, Underwood makes an interesting point about the semantics of the phrase 'systemic pathology' vis a vis 'systematic pathology'. however, it falls short of the depth and breadth of the subject in comparison to Robbin's pathology and therefore deserves a two stars rating.

General and Systematic Pathology by James C.E. Underwood

'Underwood Pathology' is one of the great brand names of medical undergraduate textbooks. The brilliance of the book is in making concepts clear enough to grasp, without skimming on the detail.
