Buy at Amazon. Gun Care & Repair is a great PDF for gun owners. Anyone can own a gun, but if you can't care for then you really aren't a shooter. Additionally, if you keep them for disaster preparation then you owe it to yourself to know how to fix them to keep them running. Personally, I enjoy the feeling I get when I take a complicated piece of machinery like a gun and understand how it works.

Soak the bore, or inside of the barrel, using a cleaning rod, patch holder and the right size cotton patches for your gun. Work from the back of the bore if you can. If not, use a muzzle guard. The muzzle guard keeps the cleaning rod from banging against the muzzle, which can cause your gun to malfunction.
