### Inner Lives And Social Worlds

From this perspective, both inner lives and social worlds are constructed through everyday social interaction and are therefore always connected to one another. Inner Lives and Social Worlds presents an exciting collection of readings that clearly demonstrate the way that these realms are intertwined. Drawing upon classic and contemporary material, it shows how the self, identity, mind, emotions, and motives--all landmark features of inner lives--are inextricably bound to social worlds.

### Amazon.com: Inner Lives and Social Worlds: Readings in ...

Inner lives and social worlds are commonly viewed as separate yet equally important domains of experience. Inner lives comprise our personal, interior spaces--our selves, identities, feelings, thoughts, and motives. From this standpoint, "in here" is where we find "who we really are." Social worlds are "out there"; they are the external influences that shape who we are.
