Melodious And Progressive Studies For

I originally owned an earlier edition of this collection when I studied clarinet at Capital University with David Hite back in the 1970s. The current edition includes some editorial and phrasing markings that were not in the first edition. Although not all clarinetists and clarinet teachers might agree with all of Hite's dynamic shapings and phrasings, the Melodious and Progressive Studies, Book 1, provides a strong basis for technical progress, but especially for getting used to artistic ...
