How To Create A DIY Music Marketing
Plan That Actually Works As a musician,
your single biggest challenge is getting
your music before your target audience.

It's not enough to create good music;
you also have to market it effectively. It
doesn't help that far too many musicians
rely on spur of the moment actions and
ad-hoc marketing tactics.

Go to record stores and advertise your band however you like—posters, stickers, buttons, etc. You can also ask an employee if they're willing to play your latest music. I was in a record store when I first heard Australian prog outfit King Gizzard and the Lizard Wizard, and I've been a huge fan ever since! #2.
