When there is a blockage of the coronary artery, there will be lack of oxygen supply to all three layers of cardiac muscle (transmural ischemia). The leads facing the injured cardiac muscle cells will record the action potential as ST elevation during systole while during diastole, there will be depression of the PR segment and the PT segment. Since PR and PT interval are regarded as baseline ...

ST elevation - Wikipedia

Unter einer Infusionspumpe versteht man eine Dosierpumpe zur kontinuierlichen (überwiegend intravenösen) Verabreichung von Infusionen. In der klinischen Praxis wird häufig die Bezeichnung Infusomat (Markenname der B. Braun Melsungen AG) synonym verwendet. Das Förderprinzip der Pumpen beruht größtenteils auf dem System der Schieberperistaltik, mit der ein gleichmäßiger Fluss mit ...

Infusionspumpe - Wikipedia

Cosmetic electrotherapy is a range of beauty treatments that uses low electric currents passed through the skin to produce several therapeutic effects such as muscle toning in the body and micro-lifting of the face. It is based on electrotherapy, which has been researched and accepted in the field of rehabilitation, though the "scientific and medical communities have tended to sideline or ...
