Occupational Therapy for Inmates Assessing Prisoners' Abilities. Occupational therapists working in prisons usually possess a different level of knowledge and skills due to the environment. Normally, OT's can assess a patient's abilities by observing the individual's reactions to his/her surroundings.

Occupational Therapy for Inmates :: AlliedTravelCareers.com

Some prisons have incorporated therapeutic communities (TCs) modified for the special needs of offenders, and a growing number of community TC programs are providing aftercare for people released from prison (Wexler & Prendergast, 2010). TCs for offenders differ from other TCs in several ways (Wexler & Williams, 1986).
