Why Do I Still Have

Still, I do have days where I feel pretty good. I can go for a walk, cook meals, and do laundry. But then the relapse comes. It always comes. Sometimes it lasts for 1 day or 2, but sometimes as many as 10. When this happens, I'm knocked down, back in bed, needing to sleep, feeling anxious, reaching for my inhaler to help me breathe.

I Got COVID-19 4 Months Ago. I Still Live With Symptoms

In 2010, Dr. Kharrazian's book, Why Do I Still Have Thyroid Symptoms When My Lab Tests are Normal? completely changed the paradigm of how thyroid disorders are managed. The title of Alexander Keyssar's new book--Why Do We Still Have the Electoral College?--is also, he says, the question Americans ask themselves every four years. The Stirling professor of history and social policy at the Harvard Kennedy School recently spoke with Harvard Magazine about the book and about why the Electoral College, an institution that's been unpopular almost from the ...

Why Do We Still Have the Electoral College? | Harvard Magazine

It's extremely common for people using CPAP to still experience apneas while they sleep. Of course, since CPAP is designed to treat apneas, this raises some common questions: If I use CPAP, why do I still have apneas? (In other words, why is my CPAP machine showing an AHI - apneas and hypopneas I have per hour-- more than zero?)

I use CPAP. Why do I still have apneas? - Sleep Apnea

Why am I still seeing ads when I subscribe to Hulu (No Ads)? Oct 30, 2020. The answer to that question depends on what you're watching. Select an option from the list below to learn more: Grey's Anatomy, How to Get Away with Murder, or Marvel's Agents of S.H.I.E.L.D.

I subscribe to Hulu (No Ads) but I still see ads

Many people do every day. And yet the blood analysis that the doctor does may not be telling you the whole story about what is going on with your health. That's why it's important to have a functional blood chemistry analysis done by a practitioner who is trained in how to read and interpret the results from a functional standpoint.
